

**ST. BARNABAS CATHOLIC SCHOOL
MISSION STATEMENT**

Helping children to grow in Mind, Heart, and Spirit to become leaders in the world.

PHILOSOPHY

St. Barnabas Catholic School is dedicated to recognizing that each child is unique with different skills, talents, and needs. We strive to give our students a quality education through meaningful learning experiences, so that the students will grow spiritually, academically, socially, emotionally, and physically.

The administration and faculty of St. Barnabas School are dedicated to helping each student develop to the best of his/her ability and to maintaining a conducive and stimulating environment that reflects Christian values. An on-going quest for professional and spiritual growth is evident in all faculty members.

The parents of children enrolled at St. Barnabas, in cooperation with the faculty and staff, work to provide purposeful activities, goal-oriented involvement, and philanthropic support that enrich the school and its surroundings.

The parish community of St. Barnabas supports the efforts and achievements of the school and emphasizes its ministry.

PRINCIPAL'S MESSAGE

CHRIST – embodying Compassion, Honesty, Respect, Integrity, Service, and Thankfulness – is the inspiration for all that we say and do at St. Barnabas Catholic School.

Daily we work into our lessons ways for the students to learn and practice these virtues. While we strive to learn the skills and concepts in the core subject areas, we do so with the idea of learning those ideas in the context of how we treat each other and how we treat our world and discover ways of taking those lessons with us when we leave the school building.

The whole school community of parents, teachers, staff, and parish has accepted the responsibility of educating our children to be good students, good stewards, and good Christians. Working together in the spirit of trust and collaboration, we can make this happen.

School – 881-7422

Parish Center – 882-0724

www.saintbarnabasparish.org

The School Newsletter is sent electronically each week and available on the website.

The following methods are used to keep parents informed of school information and the progress of the child: report cards, mid-quarter reports, school newsletter, special bulletins, web page, homework hotline, and conferences.

If a parent has a question regarding the education of his/her child, please contact the student's teacher directly at school first.

Going directly to the teacher is the best way of checking a child's progress. If these calls are made during the school day, the teacher will return the call after school has been dismissed. Teachers will also call parents at any time that the interests of the child need to be discussed. Parent conferences are encouraged and can be arranged at any time during the school year.

Interim progress reports will be sent midway through each grading period and report cards are sent at the end of each quarter. These should be signed by parents and returned to the homeroom teacher.

COMPUTER USE

Students will have the opportunity to develop technological skills and access information systems through instruction in computer use and the Internet. All students and their parents are required to sign a Computer User Policy Agreement each year before gaining access to the Internet.

COUNSELOR

St. Barnabas School contracts the services of a school counselor through Catholic Social Services. Requests may be made by teachers or parents for a child to visit the counselor. Students in grades 7 and 8 may make self-referrals. Parents will be contacted if a child meets with the counselor more than one time.

CURRICULUM

St. Barnabas School follows the state of Indiana and Archdiocesan guidelines for textbook adoption, standardized testing, and curriculum. We offer courses designed to challenge and prepare students in all areas and are fully accredited by the state of Indiana.

ELECTRONIC DEVICES

Electronic devices such as pagers, walkmen, cell phones, hand-held games, walkie-talkies, CD's, radios, cassettes, head phones, etc. are not permissible at school, unless teacher-approved. If brought to school without permission, they will be taken and kept in the office.. No toys, dolls, etc. should be brought to school without expressed teacher permission. The school will not be held responsible for damaged or lost items.

EMERGENCY INFORMATION

If a student becomes ill at school, a parent or person authorized by the parent will be notified. The Emergency Card, which are kept on file in the office, lists names of persons to contact in the event that parents are not available. Because of the need to reach parents in case of emergency or when a child is ill, we cannot overemphasize the need for parents to update information as it changes.

EXPLORE AND DISCOVER CLASSES

Students in grades 7-8 take EXPLORE classes each quarter, taught by a variety of teachers, parents, and community members. These exploratory education classes allow students to EXPLORE their interests and aptitudes by working in the core subject in a number of real-world applications. There is a charge each quarter for the EXPLORE classes. Students in grades 5-6 take DISCOVER classes each quarter, taught by the classroom teachers. These are extensions of the core subjects.

FEES

Yearly school fee is \$500.00/child and a registration fee is \$150.00/child that is due at time of registration. Some school activities, such as DISCOVER and EXPLORE classes and field trips carry additional fees. Fees should be paid promptly. If a student or his/her family has a financial problem that affects the payment of school fees, the situation should be brought to the attention of the Administrator where suitable arrangements can be made.

FIELD TRIPS

The teachers at St. Barnabas School strive to provide experiences through field trips that expose students to parts of our community that cannot be brought into the classroom. There is a small fee for each field trip and for transportation. Let us know if finances are a problem with these excursions. We are required to have individual permission slips for each field trip. Please read the newsletter and be aware of any field trips. Ask your child for the permission slip if one doesn't appear. **STUDENTS CANNOT BE PERMITTED TO LEAVE SCHOOL IF THE PERMISSION SLIP IS NOT SIGNED.** A field trip is a privilege and the Administrator has the right to deny permission for a field trip based on behavior or grades.

FUND-RAISING

The school, through the PTO, will hold at least one major fund-raising campaign each year. Selling will be voluntary and no minimum sales will be required. The Administrator must approve classroom or club fund-raising projects.

GRADES AND HONOR ROLL

Report Cards are issued quarterly and midterm reports are sent between report cards. Students in grades 5-8 may view their grades online through the use of individual passwords and www.mygradebook.com. St. Barnabas School issues letter grades with pluses or minuses on the report cards. The percentages needed to earn specific letter grades are published on the report cards. The report cards are also a means for teachers to report on the social conduct of the students. Please reinforce these points on the report card with your child. Students in grades 5-8 are eligible for quarterly high honors and honor roll.

First Honors: Average of 95-100 with no D's or F's and a cooperation/conduct grade of 95 or higher (A).

Second Honors: Average of 90-94 with no D's or F's and a cooperation/conduct grade of 86 or higher (B).

Numerical averages will be figured to one decimal point with no rounding to the next higher point.

Honor Roll Requirements:

- All special classes are included.
- All cooperation/conduct grades must be A's and/or B's
- No incompletes may be received at the time of the report card. Exception would be a doctor's note stating the child was physically incapable of completing work.
- Suspensions of any type will disqualify a student from the honor roll.

Conduct/Citizenship will remain a letter grade. It will not be averaged to determine Honor Roll. However, it must be an A or B for the student to attain honors.

HEALTH

Parents should notify the teacher and principal in writing if their child has a health disorder. A record is kept on file in case of emergency. Please keep this updated. Parents should notify the office if their child contracts a contagious disease. Prescription and/or over-the-counter drugs may be administered to students by school personnel if they are brought to school in the original containers with a note signed by the doctor. Parents must fill out and sign a medication request form any time a student is to take medication at school. All medications must be kept in the office for safe-keeping.

Screenings are routinely administered by the Marion County Health Department as follows:

Vision – Grades 1, 3, and 8

Hearing – Grades 1, 4, and 7

Scoliosis – Grades 5 and 8

Others may be tested upon written request.

State law requires that every student who is admitted to school must have evidence of a successful vaccination for diphtheria, tetanus, whooping cough, and polio; also required, a rubella/rubeola vaccination and a tuberculin skin test. **No child will be admitted to school until immunization record is on file in the school office.**

HOMEWORK

Homework assignments are part of the school program and require parental support and supervision. It is best to provide a regular time and a definite place, as well as a learning atmosphere where assignments are done. Parents are not expected to do the child's homework, or help them unduly, but parental interest goes a long way in encouraging a child.

Excessive homework is not intended. If assignments seem to be taking an inordinate amount of time, please confer with the teacher. Suggested maximum time allotments are as follows:

Grades K, 1, and 2.....20 minutes

Grades 3 and 4.....30 to 40 minutes

Grades 5 and 6.....50 to 60 minutes

Grades 7 and 8.....70 to 90 minutes

The teachers will accept a written note on a particular day if the parent determines that reasonable time was spent on homework but that the child did not finish or if the child was physically unable to work. If this is a continuing situation, parents are urged to consult with the teacher to work out arrangements.

HUMAN DIGNITY POLICY

St. Barnabas School underscores the importance of sensitivity to the backgrounds, feelings, and concerns of students and community members and of meeting the moral imperative of an equal opportunity society free of prejudice and discrimination. Accordingly, in this school, behavior by any member of the school community which insults, degrades, harasses, or stereotypes any other person on the basis of race, gender, handicap, physical condition, socioeconomic background, ethnic or national origin, or religion will not be tolerated.

INSURANCE

The Archdiocese and St. Barnabas School carry secondary insurance coverage for each student in the case that a child is injured during school time or on a school function. In addition, limited or full coverage insurance protection for students is offered for purchase to parents through the school at the beginning of the fall term.

LIBRARY/MEDIA CENTER

The library is open on a regularly scheduled basis and is supervised by library volunteers. Students are permitted to use the library during library hours under the supervision of their teacher. Each student may check out one or two books for a period of up to two weeks. When a book is out longer than two weeks, it is considered lost and must be paid for by the student. If a book is noticeably damaged, the student must pay it for.

Donations of suitable books are welcome.

Computer use in the Media Center is permitted after student and parent/guardian have signed the Acceptable Use Policy and when supervised by a teacher.

LITURGY

All students attend liturgy one day per week, Wednesday at 8:30 a.m., and parents are welcome to join us.

LUNCH

Lunches are served from 10:35 – 12:30. A basic meal is prepared each day. The students are encouraged to take advantage of this service. The price for lunch is \$1.85. Extra milk may be purchased for \$.35. Tickets for lunch and/or milk may be purchased weekly. Only one charge will be allowed per student. Students charging lunch will have to pay a service charge.

See lunch information sheet in school packets available two weeks prior to first day of school. The price for lunch for parents/visitors is \$3.00. The hot lunch program operates under guidelines of the Federal Hot Lunch Program. In keeping with these guidelines the following procedures will be in effect:

The same general rules for behavior apply in the cafeteria as in the classroom. Students are to remain quiet in line and be courteous and neat. Students should not save places in line or at the tables. Students may leave their tables only when excused by the person in charge.

PARENT-TEACHER ORGANIZATION (PTO)-See Separate Link

PTO is the organization formed by parents and teachers to support and promote the activities of St. Barnabas School. PTO supports the school by fundraising for educational materials, providing social activities for families, and acting as a volunteer pool for a variety of special activities. PTO meetings are held throughout the school year. PTO activities include the Magazine Sale, Book Fair, Santa Shop, Honor Roll lunch, and teacher recognition. All families are encouraged to be active in this organization.

RELIGIOUS EDUCATION

Our religious education program is balanced to enhance the total religious formation of each child. It provides practice in Christian daily living situations as well as meaningful liturgical experiences and sound instruction in Catholic teaching and scripture.

All students have daily Religion classes and participate in weekly liturgies. Our Religion curriculum includes the Archdiocesan chastity program "A Promise to Keep" as well as the curriculum suggested by the Archdiocese. Students in grade two prepare to receive the sacraments of Reconciliation and Holy Communion. All students have the opportunity to receive these sacraments

throughout the year. Parent sessions are an integral part of the sacramental programs for the students. Ceremonies associated with the initial reception of the sacraments can be truly meaningful only if the child is led to regularly practice his/her faith. Regular attendance at Sunday Mass is a minimal expectation. Religious instruction is an integral part of our curriculum. Special preparation is available for older students who have not received the sacraments but wish to do so. Contact the director of Faith Formation if you have questions. Non-Catholic students will participate in all aspects of the Religion program except sacramental preparation.

RECESS POLICIES

Weather permitting, students in grades K-6 are given recess each day. Decisions to have outside recess during cold weather depend on the temperature and the wind chill factor. Students should always dress for outside recess. Only students with medical excuses will be allowed to remain in the building during scheduled outside breaks. Students are not permitted back inside the building during recess except in case of an emergency. Students will have supervised free time in the classroom on days when bad weather prevents outside recess. Quiet games, talking with friends, etc. are usually allowed by the teacher in charge.

ROOM PARENTS-See PTO Link

Parents are invited to participate in classroom activities by acting as room parents to help organize class activities. The PTO is responsible for coordinating these efforts and it is not expected that the room parents personally provide all refreshments, etc.

SERVICE LEARNING

All students, but particularly students in grades 5-8, are encouraged to share their time and talent with their school, parish, and community and the world. Service Learning for the upper grades has program requirements that are part of the Religion grade for each quarter. School-wide activities are scheduled for each month.

TESTS AND ASSIGNMENTS

All test scores and homework grades will be sent home to the parents weekly through the Friday Folder. Parents are to sign the folder and they are to be returned to the teacher on Monday. In addition, classroom tests must be signed and returned to the teacher. Parents, please see that this policy is followed.

TESTING

Students in grades 3-8 take the ISTEP+ test. The individual test results and analysis are sent to the parents. Students in grades 3, 6, and 8 take a national Religion test each year to measure our success in that area.

SPECIAL TESTING – Our students are eligible by the same criteria as all students in Indiana for special testing by the local taxing unit. Students are tested through RISE Learning Center. Parents must make the request to the local school district, but school personnel must make the recommendation and will assist with the paperwork. Students are also eligible to receive Speech Therapy through their local public school. The same procedures would apply.

TEXTBOOKS

Textbooks and workbooks are furnished. **Textbooks are to be covered at all times.** No adhesive book covers. Students will be charged a damage fee if the teacher feels the book has been abused. All texts are inspected at the beginning and at the end of the school year. If a book is lost, misused, or damaged beyond reasonable wear, the student shall be charged a replacement fee.

VISITORS

Parents are welcome and encouraged to visit the school. When visiting the school for any reason, please report to the school office upon entering the building to sign in and receive a visitor's pass. When leaving, please sign out.

Arrangements should be made in advance when visiting a classroom.

VOLUNTEER SERVICES/PARENT VOLUNTEERS-See Volunteer Link

Our students' education is facilitated and enriched by the use of a variety of resources – especially people who can provide services beyond the usual scope of a textbook. Because of the generosity of many volunteers we have a variety of services to offer the students.

St. Barnabas School considers parent volunteers as a very special resource. Parents are encouraged to help in classrooms, with programs, and extracurricular activities. Please call the office if you have time or skills you can share to make our school a better place for students to learn and grow. All parents/visitors to St. Barnabas School must check in at the school office to receive a visitor's pass. This pass must be worn at all times in the building. The visitor must also check out when leaving. **All volunteers must participate in Volunteer Orientation process and attend Virtus training.**

WELLNESS POLICY

The Federal government and the State of Indiana have required the formation of a Wellness Policy for schools. The Office of Catholic Education, Archdiocese of Indianapolis, has created this policy for schools. You can find it online at http://www.archindy.org/oce/download_documents/newsletters/adopted_wellness_policy.pdf.

YEARBOOK AND PICTURES

Individual pictures are taken in the fall and spring. Additionally, a school yearbook is available each fall chronically the previous year.
